Hello Carla Costa,

Thank you for your interest in doing business with EPA during the Hurricane Harvey Response efforts. Potential procurement opportunities through the regional mission-support prime contractors and through state agencies may occur. The attached is a list of the point of contacts for the prime contractors and state agencies in EPA, Region 6 to inquire about such opportunities. You are encouraged to continue to access the following federal acquisition sites: www.fedconnect.net and www.fbo.gov for other potential procurement opportunities. Additional information on doing business with EPA can be accessed at www.epa.gov/oam and www.epa.gov/resources-small-businesses.

Subject: Hurricane Harvey Assistance from Principle Group

Dear Debora,

I am Carla Costa with Principle Group, and I would love to have the opportunity to have a brief conversation with you today or as soon as possible about any needs you may have because of the Hurricane Harvey.

Our hearts are always with our clients, but even more so in times of need. We are here to serve you and we are local to Houston, TX. The question of this week is: **"How can we do more?"**

We can support below:

- 1) Environmental services
- 2) IT Services
- 3) General and Commercial Construction
- 4) Site Clean up
- 5) Janitors services
- 6) Staffing Services

Please reply this email with the best number and time to reach you out. I am available to speak with you anytime this week, and I will make all the efforts to assure that we somehow reach out to all our affected contacts.

In the meantime, we ask that you please keep those in crisis in your thoughts!

We look forward to hearing back from you!

Cheers,

Carla Costa
